Too Good To Lose by Rebecca Ferguson

Hey when you get tired	Just say the word and I could be there now
When you're waiting for a train	(Oh) I say my prayer now
When nothing's exciting you	Just give me time and I will be (7) now (oh)
I'm probably thinking about you then	You're too good to lose
Every (1) you cross my mind	You're too good to lose
You're like a prayer, a precious sign, sign, sign, sign	You're too good to lose
Hear my prayer now	You're too good to lose
Just say the word and I could be there now	I'll be there (8) you get lost
(Oh) I say my prayer now	When you need somebody
Just give me time and I will be there now	Keep your name on my heart
(Oh) you're too good to lose	Because
You're too good to lose	Because
You're too good to lose	Hear my prayer now
You're too good to lose	Just (9) me time and I will be there now
Hey I lost my phone	(Oh) I say my prayer now
It must have fallen out in the street	Just say the words and I could be there now
Maybe you (2) and I didn't (3) up	You're too good to lose
And if you (4) that's all it means	You're too good to lose
All I touch and all I see	You're too good to lose
I give it up so freely	You're too good to lose
Hear my prayer now	(Oh) you're too (10) to lose
Just say the (5) and I could be there now	You're too good to lose
(Oh) I say my prayer now	You're too good to lose
Just give me time and I will be there now (oh)
