## Shadow by Ashlee Simpson

## Fill in the gaps

i was six years old	Living in a nightmare
When my parents went away	A never-ending sleep
I was stuck inside a broken life	But now that I am wide awake
I couldn't wish away	Then I can finally see
She was beautiful	Don't feel sorry for me-
She had everything and more	Mother, sister, father, sister, mother
And my escape was (1) out and running for	Everything's cool now
the door	Mother, sister, father, sister, mother
Somebody listen please	Everything's cool now
It (2) to be so hard being me	Oh, my life is good
Living in the shadow	I've got more than anyone should
Of (3) else's dream	Oh, my life is good
Trying to find a hand to hold but every touch felt cold to me	And the past in the past
Living in a nightmare	I was (8) in the shadow
A never-ending sleep	Of someone else's dream
But now that I am (4) awake	Trying to find a hand to hold but every touch felt cold to me
My chains are finally free	I'm living in a new day
Don't (5) sorry for me	I'm living it for me
All the days collided	And now that I am wide awake
One less perfect than the next	Then I can finally see
I was stuck inside someone else's life and always second best	Don't feel (9) for me
Oh, I love you now 'cause now I realize	Don't feel sorry, don't feel sorry for me
That it's safe outside to come alive in my identity	Don't feel sorry, don't (10) sorry for me
So if you're listening	Living in, living in, living in the shadow
There's so much (6) to me you haven't seen	Living in, living in, a new day
Living in the shadow	
Of someone else's dream	
Trying to (7) a hand to hold but every touch felt	
cold to me
