| You day breaks                   | No sign of love (8) the tears                   |
|----------------------------------|---|
| You mind aches                   | Cried for no one                                |
| You find that all the words      | A love that should have lasted years            |
| Of kindness linger on            | You stay home                                   |
| When she no longer needs you     | She goes out                                    |
| She wakes up                     | She says that long ago she knew someone         |
| She makes up                     | But now hes gone                                |

| No sign of love behind the tears | Will fill your head                             |
| Cried for no one                 | You wont forget her                             |
| A (3) that should (4) (5)        | And in her eyes you see nothing                 |
| years                            | No sign of love behind the tears                |
| You want her                     | Cried for no one                                |
| You (6) her                      | A love (9) (10) have lasted years               |
| And yet you dont believe her     |   |
