#### Fill in the gaps

#### Last Friday Night (T.G.I.F.) by Katy Perry

| There's a stranger in my bed  |
|-------------------------------|
| There's a (1) my head         |
| Glitter all over the room     |
| Pink flamingos in the pool    |
| I smell like a minibar        |
| DJ's passed out in the yard   |
| Barbie's on the barbeque      |
| There's a hickie or a bruise  |
| Pictures of last night        |
| Ended up online               |
| I'm screwed                   |
| Oh well                       |
| It's a black top blur         |
| But I'm pretty (2) it ruled   |
| Damn                          |
| Last Friday night             |
| Yeah we (3) on tabletops      |
| And we took too many shots    |
| Think we kissed but I forgot  |
| Last Friday night             |
| Yeah we (4) our credit cards  |
| And got (5) out of the bar    |
| So we hit the boulevard       |
| Last Friday night             |
| We went streaking in the park |
| Skinny (6) in the dark        |
| Then had a menage a trois     |
|                               |

Last Friday night

| Yeah I think we broke the law   |
|---------------------------------|
| Always say we're gonna stop-op  |
| (Whoa-oh-oah)                   |
| This Friday night               |
| Do it all again                 |
| This Friday night               |
| Do it all again                 |
| Trying to (7) the dots          |
| Don't know what to tell my boss |
| Think the city (8) my car       |
| Chandelier is on the floor      |
| With my favorite party dress    |
| Warrants out for my arrest      |
| Think I need a ginger ale       |
| That was such an epic fail      |
| Pictures of last night          |
| Ended up online                 |
| I'm screwed                     |
| Oh well                         |
| It's a blacked out blur         |
| But I'm pretty sure it ruled    |
| Damn                            |
| Last Friday night               |
| Yeah we danced on table tops    |
| And we took too many shots      |
| Think we kissed but I forgot    |
| Last Friday night               |
| Yeah we maxed our credits card  |
| And got kicked out of the hare  |

So we hit the boulevards
