

## Lullaby by Nickelback

### Fill in the gaps

Well I (1)\_\_\_\_\_ the feeling  
Of finding (2)\_\_\_\_\_ stuck out on the ledge  
And there ain't no healing  
From cutting yourself with the jagged edge  
I'm telling you that  
It's never that bad  
Take it from (3)\_\_\_\_\_ who's been where you're at  
Lay down on the floor  
And you're not sure  
You can take this anymore  
So just give it one more try  
To a lullaby  
And (4)\_\_\_\_\_ this up on the radio  
If you can hear me now  
I'm reaching out  
To let you know that you're not alone  
And you can tell  
I'm scared as hell  
'Cause I can't get you on the telephone  
So (5)\_\_\_\_\_ close your eyes...  
Well honey here comes a lullaby  
Your very own lullaby  
Please let me take you  
Out of the darkness and into the light  
'Cause I have (6)\_\_\_\_\_ in you  
That you're gonna make it through (7)\_\_\_\_\_ night  
Stop thinking about  
The easy way out  
There's no need to go and blow the candle out  
Because you're not done  
You're far too young  
And the best is yet to come  
So just give it one more try

To a lullaby  
And turn this up on the radio  
If you can hear me now  
I'm reaching out  
To let you know that you're not alone  
And you can tell  
I'm scared as hell  
'Cause I can't get you on the telephone  
So just close your eyes...  
Well honey here comes a lullaby  
Your very own lullaby  
Well everybody's hit the bottom  
And everybody's been forgotten  
When everybody's tired of being alone  
Yeah everybody's been abandoned  
And left a little empty handed  
So if you're out there barely hanging on  
Just give it one more try  
To a lullaby  
And turn this up on the radio  
If you can hear me now  
I'm reaching out  
To let you know that you're not alone  
And you can tell  
I'm scared as hell  
'Cause I can't get you on the telephone  
So just close (8)\_\_\_\_\_ eyes...  
Well honey here comes a lullaby  
Your very own lullaby  
Well honey (9)\_\_\_\_\_ comes a lullaby  
Your very own lullaby

Answer

1. know
2. yourself
3. someone
