

## Fill in the gaps

Well I know the feeling	To a lullaby
Of finding (1) stuck out on the ledge	And (18) this up on the radio
And there ain't no healing	If you can (19) me now
From (2) yourself (3) the	I'm reaching out
(4) edge	To let you (20) that you're not alone
I'm telling you that	And you can tell
It's never that bad	I'm scared as hell
Take it from (5) who's been	'Cause I can't get you on the telephone
(6) you're at	So just (21) your eyes
Lay (7) on the floor	Well honey here (22) a lullaby
And you're not sure	Your very own lullaby
You can take this anymore	Well everybody's hit the bottom
So just give it one (8) try	And everybody's (23) forgotten
To a lullaby	When everybody's tired of being alone
And turn (9) up on the radio	Yeah everybody's been abandoned
If you can hear me now	And left a little empty handed
I'm reaching out	So if you're out there barely hanging on
To let you know (10) you're not alone	Just give it one (24) try
And you can tell	To a lullaby
I'm scared as hell	And turn this up on the radio
'Cause I can't get you on the telephone	If you can hear me now
So just (11) your eyes	I'm reaching out
Well honey here comes a lullaby	To let you know that you're not alone
Your (12) own lullaby	And you can tell
Please let me take you	I'm scared as hell
Out of the darkness and (13) the light	'Cause I can't get you on the telephone
'Cause I have faith in you	So just (25) (26) eyes
That you're gonna (14) it through another night	Well honey here (27) a lullaby
Stop thinking about	Your very own lullaby
The easy way out	Well honey here (28) a lullaby
There's no need to go and (15) the candle out	Your very own lullaby
Because you're not done	
You're far too young	
And the best is yet to come	
So (16) give it one (17) try
