

Fill in the gaps

	Follow if you wanna, won't just hang around
No words	Like you'll (8) me where to go
But tears won't make any room for more, and it	I'm (9) out
Don't hurt	Of foolproof ideas
Like anything I've ever felt before, this is	So don't ask me how
No broken heart	To get started
No familiar scars	It's all uncharted
This territory goes uncharted	Jumpstart my kaleidoscope heart
Just me	Love to watch the colors fade
n a (1) sunk down in a house in a town, and I	They may not make sense
Don't breathe	But they sure as hell made me
Though I (2) meant to let it get away from me	I won't go as a passenger, no
Now I've	Waiting for the road to be laid
Too much to hold	Though I may be going down
Everybody has to	I'll take in flame
Get their hands on gold	Over burning out
And I want uncharted	Compare
Stuck under the (3) I made	Where you are to where you wanna be
can't help but feeling	And you'll get
'm (4) down	Nowhere
Follow if you wanna	I'm going down
Non't just hang around	Follow if you wanna, won't just hang around
Like you'll show me where to go	Like you'll show me where to go
'm already out	I'm already out
Of foolproof ideas	Of foolproof ideas
So don't ask me how	So don't ask me how
To get started	To get started, oh
t's all uncharted	I'm going down
	Follow if you wanna
Each day	Won't just hang around
'm counting up the minutes 'till I get alone	Like you'll show me where to go
Cause I can't stay	I'm already out
n the middle of it all	Of foolproof ideas
t's nobody's (5) but I'm	So don't ask me how
So low	To get started
Never knew how much I didn't know	It's all uncharted
Oh, (6) is uncharted	
know I'm getting nowhere	
When I only sit and stare, like	
'm (7) down	

- 1. room
- 2. never
- 3. ceiling
- 4. going
- 5. fault
- 6. everything
- 7. going
- 8. show
- 9. already
