

I'm (11)_____ down

Fill in the gaps

	Follow if you wanna, won't (12) (13)
No words	around
But tears won't (1) any room for more, and it	Like you'll show me (14) to go
Don't hurt	I'm already out
Like anything I've ever felt before, (2) is	Of foolproof ideas
No broken heart	So don't ask me how
No (3) scars	To get started
This territory goes uncharted	It's all uncharted
Just me	Jumpstart my kaleidoscope heart
In a room sunk down in a house in a town, and I	Love to watch the (15) fade
Don't breathe	They may not (16) sense
Though I (4) (5) to let it get away	But they sure as hell made me
(6) me	I won't go as a passenger, no
Now I've	Waiting for the (17) to be laid
Too much to hold	Though I may be going down
Everybody has to	I'll take in flame
Get their (7) on gold	Over burning out
And I want uncharted	Compare
Stuck under the (8) I made	Where you are to (18) you wanna be
I can't help but feeling	And you'll get
I'm going down	Nowhere
Follow if you wanna	I'm (19) down
Won't (9) (10) around	Follow if you wanna, won't (20) (21)
Like you'll show me where to go	around
I'm already out	Like you'll show me where to go
Of foolproof ideas	I'm (22) out
So don't ask me how	Of (23) ideas
To get started	So don't ask me how
It's all uncharted	To get started, oh
	I'm going down
Each day	Follow if you wanna
I'm counting up the minutes 'till I get alone	Won't just hang around
'Cause I can't stay	Like you'll show me (24) to go
In the middle of it all	I'm (25) out
It's nobody's fault but I'm	Of foolproof ideas
So low	So don't ask me how
Never knew how much I didn't know	To get started
Oh, everything is uncharted	It's all uncharted
I know I'm getting nowhere	
When I only sit and stare, like
