

When I only sit and stare, like

I'm going down

Fill in the gaps

···	Follow if you wanna, won't just hang around
No words	Like you'll show me where to go
But tears won't make any room for more, and it	I'm already out
Don't hurt	Of foolproof ideas
Like anything I've ever felt before, (1) is	So don't ask me how
No broken heart	To get started
No familiar scars	It's all uncharted
This (2) goes uncharted	Jumpstart my kaleidoscope heart
Just me	Love to watch the colors fade
In a room sunk down in a house in a town, and I	They may not make sense
Don't breathe	But they sure as (5) made me
Though I never meant to let it get away from me	I won't go as a passenger, no
Now I've	Waiting for the (6) to be laid
Too much to hold	Though I may be (7) down
Everybody has to	I'll take in flame
Get their hands on gold	Over (8) out
And I want uncharted	Compare
Stuck under the ceiling I made	Where you are to where you wanna be
I can't help but feeling	And you'll get
I'm going down	Nowhere
Follow if you wanna	I'm going down
Won't just hang around	Follow if you wanna, won't just hang around
Like you'll (3) me where to go	Like you'll show me where to go
I'm already out	I'm already out
Of (4) ideas	Of foolproof ideas
So don't ask me how	So don't ask me how
To get started	To get started, oh
It's all uncharted	I'm going down
	Follow if you wanna
Each day	Won't just hang around
I'm counting up the minutes 'till I get alone	Like you'll show me where to go
Cause I can't stay	I'm (9) out
In the middle of it all	Of foolproof ideas
It's nobody's fault but I'm	So don't ask me how
So low	To get started
Never knew how much I didn't know	It's all uncharted
Oh, everything is uncharted	
I know I'm getting nowhere
