

Fill in the gaps

(1, 2, 3, 4)	(Of the degeneration)
Well I won't be caught living in a dead-end job	Everyone sing
Or praying to a (1) (2)	(The anthem of no future)
and gods	Down with the mass
And now it's us against them	('Cause we're not listening)
We're here to represent	Well (10) we're doing fine
And spit right in the face of the establishment	And we don't need to be told
And now I don't believe	That we're (11) fine
(In (3) faith in nothing)	'Cause we won't give you control
Stand on my own	And we don't need anything from you
(And got no sympathy)	'Cause we'll be just fine
Wasting your youth	And we won't be bought and sold
(While feeling young and useless)	Just like you
Speak for yourself	May I have your attention, please?
(And don't pray for me)	I pledge (12) to the underclass
Well because we're doing fine	As your hero at large!
And we don't need to be told	(1, 2, 3, 4)
That we're doing fine	We're the (13) of degeneration
'Cause we won't give you control	We don't owe anyone an explanation
And we don't need anything (4) you	*** elitists, we don't need this
'Cause we'll be just fine	We're the (14) of just alright
And we won't be (5) and sold	And (15) because we're (16) fine
Just (6) you	And we don't need to be told
(A call (7) the underclass)	That we're (17) fine
Calling out (8) with no respect	'Cause we won't give you control
I'm not the one, just another reject	And we don't (18) anything from you
I'm the voice to offend	'Cause we'll be (19) fine
All (9) who pretend	And we won't be (20) and sold
Unsung against the grain I'm here to rise against	Just like you
And now I'm desensitized	
(I state my place in nowhere)	
Burning the flag
