When (1)	step I take is always too small	No matter what you say
Maybe it's just something I can't admit		Nothing's gonna change my mind

Accusations don't know how to take them		This years trend and though I can't pretend
Inspiration's getting hard to (2) it		A friend would be this way
Concentration's never hard to break it		It's not the same but who's to blame
Situation never (3) you want it to be		For all those stupid things I never said
What's the point of never making mistakes?		Motivation such an aggravation
Self-indulgence is such a hard habit to break		Accusations don't know how to take them
It's all just a waste of time in the end		Inspiration's getting hard to fake it
Don't care, so why should I even pretend		Concentration's never hard to break it
