What's the (1)	of never knowing at	There's (14) to explain
all?		No (15) what you say
When every step I (2) is always too small		Nothing's gonna change my mind
Maybe it's just something I can't admit		Can't depend on doubt until the end
But lately, I (3) (4)	I don't give a ***	It seems (16) leaving friends has become
Motivation (5) an aggravation		This years trend and (17) I can't pretend
Accusations don't know how to take them		A (18) (19) be this way
Inspiration's getting hard to fake it		It's not the same but who's to blame
Concentration's never (6) to be	reak it	For all those stupid things I never said
Situation never what you want it to be		Motivation such an aggravation
What's the (7) of never	(8)	Accusations don't know how to take them
mistakes?		Inspiration's getting hard to (20) it
Self-indulgence is such a hard habit to bre	eak	Concentration's (21) hard to (22)
It's all (9) a (10)	of time in the end	Motivation (23) an aggravation
Don't care, so why (11) I	even pretend	Accusations don't know how to (24) them
Motivation such an aggravation		Inspiration's getting hard to fake it
Accusations don't know how to take them		Concentration
Inspiration's getting hard to fake it		Situation (25) what you want it to be
Concentration's never (12) to I	oreak it	Never (26) you want it to be
Situation never what you want it		Never what you (27) it to be
Nothing's new, everything's the same		
Keeps on (13) me down		
It's getting kind of lame		
Falling further behind
