

## Fill in the gaps

embrace it

The faster we're falling	Up above in my head
We're stopping and stalling	Instead of going under
We're running in circles again	Instead of going under
Just as things we're looking up	(Instead of (6) under)
You said it wasn't good enough	Instead of going under
But still we're trying one more time	I can't sit back and wonder why
Maybe we're just trying to hard	It took so long for this to die
When really it's closer than it is too far	And I hate it when you fake it
Cause I'm in too deep	You can't hide it you might as (7)
And I'm (1) to keep	So believe me it's not easy
Jp above in my head	It seems that something's telling me
nstead of going under	I'm in too deep
Cause I'm in too deep	And I'm trying to keep
And I'm trying to keep	Up above in my head
Jp (2) in my head	Instead of going under
nstead of going under	Cause I'm in too deep
nstead of going under	And I'm (8) to keep
Seems like each time	Up above in my head
'm with you I loose my mind	Instead of (9) under
Because I'm bending (3) backwards to relate	Cause I'm in too deep
t's one thing to complain	And I'm trying to keep
But when you're driving me insane	Up above in my head
Well then I think it's time that we took a break	Instead of going under
Maybe we're just trying to hard	Instead of going under
When really it's (4) than it is too far	Instead of (10) under again
Cause I'm in too deep	Instead of going under
And I'm trying to keep	Instead of going under again
Jp above in my head	Instead of going under (again)
nstead of going under	
Cause I'm in too deep	
And I'm (5) to keep
