

Fill in the gaps

	And back down	
Storming through the party	Don't count on me	
Like my (1) was El Niño	To let you know when	
When I'm hanging out drinking	Don't count on me	
In the back of an El Camino	I'll do it again	
As a kid	Don't count on me	
Was a skid	It's the point you're missing	
And no one (2) me by name	Don't count on me	
Trashed my own (3) party	'Cause I'm not listening	
'Cause nobody came	Well I'm a	
I know I'm not the one	No good nick lower middle class brat	
You thought you knew back in high school	(Backpacked)	
Never going, never showing up when we had to	And I don't give	
Attention that we crave, don't tell us to behave	About nothing	
I'm sick of always hearing "act your age"	You be standing on the corner	
I don't wanna waste my time	Talking all (7) kufuffin	
Become another casualty of society	Well you don't make sense	
I'll never fall in line	From all the gas you	
Become another victim of your conformity	'Cause if the egg don't stain	
And back down	You'll be ringing off the hook	
Because you don't	You're on the hit list	
Know us at all	Wanted in the (8)	book
We laugh when old (4) fall	I (9) songs with distortion	
But what would you expect	To drink in proportion	
With a conscience so small?	The dentist said my mom	
Heavy metal and mullets	Should've had an abortion	
It's how we were raised		
Maiden and Priest	I don't wanna waste my time	
Were the gods (5) we praised	Become another casualty of society	
'Cause we like having fun	I'll never fall in line	
At other people's expense and	Become another victim of (10)	_ conformit
Cutting people down is just a minor offense then	And back down	
It's none of your concern	(Waste my time with them) casualty of society	
I guess I'll never learn	(Waste my time with them)	
I'm sick of being told to wait my turn	Victim of your conformity	
I don't (6) waste my time	And back down	
Become another casualty of society		
I'll never fall in line		
Become another victim of your conformity
