

Fill in the gaps

And back down

Storming through the party	Don't count on me	
Like my name was El Niño	To let you know when	
When I'm hanging out drinking	Don't count on me	
In the back of an El Camino	I'll do it again	
As a kid	Don't count on me	
Was a skid	It's the point you're missing	
And no one knew me by name	Don't count on me	
Trashed my own house party	'Cause I'm not listening	
'Cause nobody came	Well I'm a	
I know I'm not the one	No good nick lower middle class brat	
You thought you knew back in (1) school	(Backpacked)	
Never going, never showing up when we had to	And I don't give	
Attention that we crave, don't tell us to behave	About nothing	
I'm sick of always hearing "act your age"	You be standing on the corner	
I don't wanna waste my time	Talking all that kufuffin	
Become another casualty of society	Well you don't (6) sense	
I'll never fall in line	From all the gas you	
Become another victim of your conformity	'Cause if the egg don't stain	
And (2) down	You'll be ringing off the hook	
Because you don't	You're on the hit list	
Know us at all	Wanted in the telephone book	
We laugh when old people fall	I like songs with distortion	
But what would you expect	To drink in proportion	
With a conscience so small?	The dentist said my mom	
Heavy metal and mullets	Should've had an abortion	
It's how we were raised		
Maiden and Priest	I don't (7) waste my time	
Were the gods that we praised	Become another casualty of society	
'Cause we like having fun	I'll never fall in line	
At other people's expense and	Become another victim of your conformity	
Cutting people down is just a minor offense then	And back down	
It's none of (3) concern	(Waste my time with them) (8)	of society
I guess I'll never learn	(Waste my time with them)	
I'm sick of being told to wait my turn	Victim of your conformity	
I don't wanna waste my time	And back down	
Become another casualty of society		
I'll (4) fall in line		
Become (5) victim of your conformity
