A Horse With No Name by America

On the first part of the journey	'Cause there ain't no one for to give you no pain
I was looking at all the life	(La, la, la, la, la, la, la, la)
There were plants and birds and rocks and things	(La, la, la, la, la, la, la, la)
There was sand and (1) and rings	After nine days I let the horse run free
The first thing I met was a fly (2) a buzz	'Cause the desert had turned to sea
And the sky with no clouds	There were (7) and birds and rocks and
The heat was hot and the ground was dry	things
But the air was full of sound	There was (8) and hills and rings
I've been through the desert	The ocean is a desert with its life underground
On a horse with no name	And a perfect disguise above
It felt good to be out of the rain	Under the cities
In the desert	Lies a heart made of ground
You can remember your name	But the humans (9) give no love
'Cause (3) ain't no one for to give you no pain	You see I've been (10) the desert
(La, la, la, la, la, la, la, la)	On a horse with no name
(La, la, la, la, la, la, la, la)	It felt good to be out of the rain
After two days in the (4) sun	In the desert
My skin began to turn red	You can remember your name
After three days in the desert fun	'Cause there ain't no one for to give you no pain
I was looking at a river bed	(La, la, la, la, la, la, la, la)
And the story it told of a river that flowed	(La, la, la, la, la, la, la, la)
Made me sad to (5) it was dead	(La, la, la, la, la, la, la, la)
You see I've been through the desert	(La, la, la, la, la, la, la, la)
On a horse (6) no name	(La, Ia, Ia, Ia, Ia, Ia, Ia, Ia)
It felt good to be out of the rain	
In the desert
