Just My Imagination by The Cranberries

There was a (1) we used to play	It was
We would hit the town on Friday night	There is a game I like to play
And (2) in bed (3) Sunday	I like to hit the (14) on Friday night
We (4) to be so free	And stay in bed (15) Sunday
We were (5) for the (6) we had	We'll always be this free
and	We (16) be (17) for the love we
Living not for reality	have
Just my imagination	Living not for reality
Just my imagination	It's not my imagination
Just my imagination	It's not my imagination
It was	It's not my imagination
Just my imagination	It was
Just my imagination	Not my imagination
Just my imagination	It's not my imagination
It was	Not my imagination
There was a time I used to pray	It was
I (7) always kept my (8) in love	Not my (Not My)
It's the greatest (9) from the man above	
The (10) I used to play	(Laaaa aaaa)
I've (11) put my (12) upon the	My imagination
table	My imagination
Let it never be said that (13) be unstable	My imagination
Just my imagination	My imagination
Just my imagination	My imagination
Just my imagination	My imagination
It was	
Just my imagination	
Just my imagination	
Just my imagination
