

Fill in the gaps

Payphone by Maroon 5 & Wiz Khalifa

'm at a payphone trying to call home	All of my change, I spent on you
All of my change, I spent on you	Where have the times gone
Where have the times gone?	Baby, it's all wrong
Baby, it's all wrong	Where are the plans we made for two?
Where are the plans we made for two?	If (15) ever (16) did exist
Yeah, I, I know it's hard to remember	I would still be holding you like this
The (1) we (2) to be	All those fairy tales are full of shit
t's even harder to picture	One more fucking love song, I'll be sick
That you're not here next to me	Now I'm at a payphone
You say it's too (3) to make it	Man, fuck that shit
But is it too late to try?	I'll be out spending all this money
And in our time that you wasted	While you're (17) 'round wondering
All of our bridges (4) down	Why it wasn't you who came up from nothing
've wasted my nights	Made it from the bottom
You turned out the lights	Now when you see me, I'm stunnin'
Now I'm paralyzed	And all of my cars start with the push of a button
Still (5) in (6) time	Telling me the chances I (18) up
When we called it love	Or whatever you call it
But even the sun sets in paradise	Switch the number to my phone
'm at a payphone trying to call home	So you (19) (20) call it
All of my change, I (7) on you	Don't need my (21) on my show
Where have the times gone?	You can tell it I'm ballin'
Baby, it's all wrong	Swish, (22) a shame, could (23) got
Where are the (8) we made for two?	picked
f happy ever afters did exist	Had a (24) good game but you missed your
would still be holding you like this	last shot
All those fairy tales are full of shit	So you talk about who you see at the top
One more fucking (9) song, I'll be sick	Or what you could have saw
(Oh)	But sad to say it's over for
You turned (10) back on tomorrow	Phantom pulled up, valet open doors
Cause you forgot yesterday	Wiz like go away, got what you was (25) for
gave you my love to borrow	Now it's me who they want, so you can go and take
But you just gave it away	That little piece of (26) with you
You can't expect me to be fine	I'm at a payphone (27) to call home
don't expect you to care	All of my change, I spent on you
know I've said it before	Where have the times gone
But all of our bridges burned down	Baby it's all wrong
've wasted my nights	Where are the plans we made for two?
You turned out the lights	If happy ever afters did exist
Now I'm paralyzed	l (28) (29) be
Still (11) in (12) time	(30) you like this
When we called it love	All those fairy tales are full of shit
But (13) the sun sets in paradise	One more fucking love song, I'll be sick
'm at a payphone trying to (14) home	Now I'm at a payphone
