But even the sun sets in paradise I'm at a payphone trying to call home

Payphone by Maroon 5 & Wiz Khalifa

m at a payphone trying to call home	All of my change, I spent on you
All of my change, I spent on you	Where have the times gone
Where (1) the times gone?	Baby, it's all wrong
Baby, it's all wrong	Where are the plans we (4) for two?
Where are the plans we made for two?	If happy ever after did exist
eah, I, I know it's hard to remember	I would still be holding you like this
The people we used to be	All those fairy tales are full of shit
t's even harder to picture	One more fucking love song, I'll be sick
That you're not here next to me	Now I'm at a payphone
ou say it's too late to make it	Man, fuck that shit
But is it too late to try?	I'll be out (5) all this money
And in our time that you wasted	While you're sitting 'round wondering
All of our bridges burned down	Why it wasn't you who came up from nothing
ve wasted my nights	Made it from the bottom
ou turned out the lights	Now (6) you see me, I'm stunnin'
Now I'm paralyzed	And all of my cars start with the push of a button
Still stuck in that time	Telling me the chances I blew up
When we called it love	Or whatever you call it
But even the sun sets in paradise	Switch the number to my phone
m at a payphone trying to call home	So you never could call it
All of my change, I spent on you	Don't need my name on my show
Where have the times gone?	You can tell it I'm ballin'
Baby, it's all wrong	Swish, what a shame, could have got picked
Where are the plans we made for two?	Had a really good game but you missed your (7)
f happy ever (2) did exist	shot
would still be holding you like this	So you talk (8) who you see at the top
All those fairy tales are full of shit	Or what you could have saw
One more fucking love song, I'll be sick	But sad to say it's over for
Oh)	Phantom pulled up, valet open doors
ou turned your back on tomorrow	Wiz like go away, got (9) you was looking for
Cause you forgot yesterday	Now it's me who they want, so you can go and take
gave you my love to borrow	That little piece of shit with you
But you just gave it away	I'm at a payphone trying to call home
ou can't expect me to be fine	All of my change, I spent on you
don't expect you to care	Where have the times gone
know I've (3) it before	Baby it's all wrong
But all of our bridges burned down	Where are the plans we made for two?
ve wasted my nights	If happy ever afters did exist
ou turned out the lights	I would still be holding you like this
Now I'm paralyzed	All those fairy tales are (10) of shit
Still stuck in that time	One more fucking love song, I'll be sick
When we called it love	Now I'm at a payphone
