Fill in the gaps

Payphone (Cover) by Paradise Fears

'm at a (1) trying to call home	All of my change I spent on you
All of my change I spent on you	Where have the (17) gone
Where (2) the (3) gone	Baby it's all wrong
Baby it's all wrong	Where are the plans we made for two?
Where are the plans we made for two?	If happy ever after did exist
know it's hard to remember	I would still be holding you like this
The people we (4) to be	All those (18) are full of it
t's (5) harder to picture	One (19) stupid love song I'll be sick
That you're not here (6) to me	I'm at a payphone
You say it's too late to make it	Pick it up, looks like the future is callin'
But is it too late to try?	Rippin' from a farm state
And in our time that you wasted	We went from bailin' to ballin'
All of our bridges burned down	Change my (20) number
've (7) my nights	Because too (21) labels was callin'
You turned out the lights	Career on the gas, non-stop
Now I'm paralyzed	We never be stallin'
Still stuck in (8) time	Rollin' 10 deep in a passenger van
When we called it love	Non (22) til it's paris all the way to Japan
But even the sun sets in paradise	Every song (23) we drop
'm at a payphone trying to call home	Becomes the latest trend
All of my change I spent on you	And I know we aint no Brittany
Where have the (9) gone	But, "Oops, we did it again"
Baby it's all wrong	Call your boy Peeta
Where are the plans we made for two?	Take the (24) with a hunger
f happy ever after did exist	Youtube, Channel Blowing up with every cover
would still be holding you like this	Whiter than Macauly was in home alone
All (10) fairytales are full of it	Too young to have ever even (25) a payphone
One more stupid love song I'll be sick	I'm not sure who the hell still uses one
Yeah, yeah	But if (26) L says it, his will be done
You turned (11) back on tomorrow	Maroon 5 til I die, so forget my cell
Cause you (12) yesterday	This'll work just as well now
gave you my love to borrow	I'm at a (27) trying to call home
But (13) gave it away	All of my (28) I spent on you
You can't expect me to be fine	Where have the times gone
don't expect you to care	Baby it's all wrong
(14) I've said it (15) but	Where are the plans we made for two?
All of our bridges burned down	If happy ever after did exist
've wasted my nights	I would still be holding you like this
You turned out the lights	All (29) are full of
Now I'm paralyzed	it
Still stucked in that time	One more stupid love song I'll be sick
When we called it love	I'm at a payphone
But even the sun sets in paradise
