

Fill in the gaps

I'm sitting in a room	Because this road is all you'll ever have
Made up of only big white (1) and in the halls	And it's obvious that you're dying, dying
There are people looking through	Just living proof that the camera's lying
The window in the door and they know exactly	And oh-oh-open wide, 'cause this is (8) night
What we're (2) for	So smile
Don't look up (3) let them think	Yeah, yeah you're asking for it
There's no place else you'd rather be	With (9) breath that you breathe in
You're always on display	Just breathe it in
For everyone to watch	Yeah, yeah well you're just a mess
And learn from don't you know by now	You do all this big talking
You can't turn back	So now let's see you walk it
Because this (4) is all you'll ever have	I said let's see you walk it
And it's obvious that your dying, dying	Yeah, yeah well you're just a mess
Just living proof that the camera's lying	You do all this big talking
And oh-oh-open wide, 'cause (5) is your night	So now let's see you walk it
So smile, 'cause you'll go out in style	I said let's see you (10) it
You'll go out in style	And it's obvious that you're dying, dying
If you let me I could	Just living proof that the camera's lying
I'd show you how to (6) your fences	And oh-oh-open wide
Set restrictions, separate from the world	Yeah, oh-oh-open wide
The constant battle that you hate to fight	Yeah, oh-oh-open wide
Just blame the limelight	Cause you'll go out in style
Don't look up Just let (7) think	You'll go out in style
There's no place else you'd rather be	
And now you can't turn back
