

Fill in the gaps

Call you up in the (1) of the night	With a ticket for a (16) train
Like a firefly without a light	And everything (17) cut and dried
You were there (2) a (3)	Day and night, earth and sky
burning	Somehow I just don't believe it
I was a key (4) could use a little turning	Runaway train, never (18) back
So (5) that I couldn't even sleep	Wrong way on a one-way track
So many secrets I couldn't keep	Seems like I (19) be (20)
Promised myself I wouldn't weep	somewhere
One more (6) I couldn't keep	Somehow I'm (21) here nor there
It (7) no one can help me now	Bought a (22) for a (23)
I'm in too deep there's no way out	train
This (8) I have really led myself astray	Like a madman laughing at the rain
Runaway train, never going back	A little out of touch, a little insane
Wrong way on a one-way track	It's (24) easier than dealing with the pain
Seems (9) I (10) be getting	Runaway train, (25) (26) back
somewhere	Wrong way on a one-way track
Somehow I'm neither (11) nor there	Seems like I should be getting somewhere
Can you (12) me remember how to smile?	Somehow I'm neither here nor there
Make it somehow all seem worthwhile	Runaway train, never coming back
How on earth did I get so jaded?	Runaway train, tearing up the track
Life's mystery seems so faded	Runaway train, burning in my veins
I can go (13) no one (14) can go	I run away but it always seems the same
I (15) what no one else knows	
Here I am just a-drownin' in the rain
