

## Fill in the gaps

Call you up in the middle of the night	With a ticket for a runaway train
Like a firefly without a light	And everything seems cut and dried
You were there (1) a blowtorch burning	Day and night, earth and sky
was a key that could use a little turning	Somehow I just don't (6) it
So tired that I couldn't (2) sleep	Runaway train, never going back
So many secrets I couldn't keep	Wrong way on a one-way track
Promised myself I wouldn't weep	Seems like I (7) be getting somewhere
One more (3) I couldn't keep	Somehow I'm neither here nor there
t seems no one can help me now	Bought a ticket for a runaway train
'm in too deep there's no way out	Like a madman laughing at the rain
This time I have really led myself astray	A little out of touch, a little insane
Runaway train, never going back	It's just easier (8) dealing with the pain
Nrong way on a one-way track	Runaway train, never going back
Seems like I should be (4) somewhere	Wrong way on a one-way track
Somehow I'm neither here nor there	Seems (9) I (10) be getting
Can you help me remember how to smile?	somewhere
Make it somehow all seem worthwhile	Somehow I'm neither here nor there
How on earth did I get so jaded?	Runaway train, never coming back
Life's mystery (5) so faded	Runaway train, tearing up the track
can go where no one else can go	Runaway train, burning in my veins
know what no one else knows	I run away but it always seems the same
Here I am just a-drownin' in the rain
