Can you hear me calling	Oh I
Out your name?	I (16) to be (17) you everywher
You (1) that I'm falling and	(Wanna be (18) you everywhere)
I don't (2) what to say	Can you (19) me calling
I'll (3) a little louder	Out your name?
I'll even shout	You (20) that I'm falling and
You (4) (5) I'm (6) and	I don't know what to say
I can't get the (7) out	Come along baby
Oh I	We better make a start
I (8) to be (9) you everywhere	You better make it soon before
Oh I	You break my heart
I (10) to be (11) you everywhere	Oh I
(Wanna be with you everywhere)	I want to be with you everywhere
Something's happening	Oh I
Happening to me	I want to be with you everywhere
My friends say I'm acting peculiarly	Oh I
C'mon baby	I want to be (21) you everywhere
We better (12) a start	Oh I
You (13) it (15)	I want to be (22) you everywhere
before you	(Wanna be with you everywhere)
Break my heart	
Oh I	
I want to be with you everywhere
