

The only way out is through

## Fill in the gaps

Every (1) you (2) your voice	The (18) way we'll feel better
I see the (3) grass	The (19) way out is through
Every time you run for cover	Ultimately
I see (4) pasture	We could just (20) away and
Every (5) we're in a funk	Hide our heads in the sand
I picture a (6) choice	We could just call it quits
Anytime we're in a rut	Only to start all over again
This distant grandeur	With (21) else
My (7) to want to do away	Every time we're stuck in struggle
Feels natural and	I'm down for the count that day
My urgency to (8) of softer places	Every (22) I dream of quick fix
Feels understandable	I'm assuaged
The only way out is through	Now I know it's (23) when it's through
The faster we're in the better	And I'm damned if I don't know quick fix way
The only way out is through	But formerly mistreat me (24) now outdated
Ultimately	My tendency to (25) to run feels unnatural now
The (9) way out is through	The urgency to want to give to you
The only way we'll feel better	I don't want (26) feels good
The only way out is through	The only way out is through
Ultimately	The faster we're in the better
Every time I'm confused	The only way out is through
I think there must be easier ways	Ultimately
Every (10) our (11) are locked	The only way out is through
I'm towel throwing	The only way we'll feel better
Every (12) we're at a loss	The only way out is through
We've (13) from difficulty	Ultimately
Anytime we're in (14) of final bowing	The (27) way out is through
My (15) to want to hide away	The faster we're in the better
Feels easier and	The only way out is through
The immediacy is picturing another place	Ultimately
Comforting to go	The (28) way out is through
The (16) way out is through	The (29) way we'll get better
The faster we're in the better	The only way out is through
The (17) way out is through	Ultimately
I Iltimately
