Gypsy (Live) by Fleetwood Mac

And if I was a child

Fill in the gaps

So i'm back to the (1) underground	And the child was enough
Back to the floor	Enough for me to love
That I love	Enough to love
To a room (2) (3) lace and paper	She is dancing away from you now
flowers	She was just a wish
I'm back to the gypsy	She was (6) a wish
That I was	And a memory is all that is left for you no
To the gypsy	You see your
That I was	Gypsy
And it all comes down to you	Yeah
Well you know (4) it does well	You see your gypsy
Lightning strikes	(Ah, nah, nah)
Maybe once, maybe twice	(Nah, nah, nah)
And it lights up the night	Lightning strikes
And you see your	Maybe once, (7) twice
Gypsy	(Ah, nah, nah)
Yeah	And it all comes down to you
You see your gypsy	Lightning strikes
To the gypsy	Maybe once, maybe twice
That remains	I still see your bright eyes
Faces freedom	I still see (8) bright eyes
With a little fear	Your bright eyes
I (5) no fear	
I have only love
