

## Fill in the gaps

My whole life waiting for the right time	'Cause all my life I (7) this way
And to tell you how I feel	But I could never find the words to say
I know I try to tell you that I need you	Stay, stay
And (1) I am without you	So you (8) your mind
I feel so lost but what can I do?	And say you're mine
'Cause I know this love (2) real	Don't leave tonight
But I don't know how to feel	Stay
We say goodbye in the pouring rain	Say goodbye in the pouring rain
And I (3) (4) as you walk away	And I break down as you walk away
Stay, stay	Stay, stay
'Cause all my life, I felt this way	'Cause all my (9) I felt this way
But I could never find the words to say	But I could never find the words to say
Stay, stay	Stay, stay
Alright, everything is alright	Stay with me
Since you came along	Stay (10) me
And (5) you	Stay with me
I had nowhere to run to	Stay with me
And nothing to hold on to	Stay
I came so close to giving it up	Stay
And I (6) if you know	Stay
How it feels to let you go?	Stay with me
You say goodbye in the pouring rain	
And I break down as you walk away	
Stay, stay
