## Somebody That I Used To Know by Gotye & Kimbra

Now and (1) I think of when we were together		But I don't wanna live that way	
Like when you said you felt so happy you could die		Reading into (9)	word you say
Told myself that you were right for me		You said that you could let it go	
But felt so (2) in your company		And I wouldn't catch you hung	up
But that was love and it's an ache I still remember		On somebody that you used to	know
You can get addicted to a (3) kind	d of	But you didn't have to cut me d	off
sadness		Make out like it never happene	ed
Like resignation to the end, always the end		And that we were nothing	
So when we found that we could not make sense		And I don't even need your love	
Well, you said that we would still be friends		But you treat me like a stranger	
But I'll admit that I was glad that it was over		And that feels so rough	
But you didn't have to cut me off		You didn't have to stoop so lov	N
Make out like it never happened		Have your friends collect your	records
And that we were nothing		And then change your number	r
And I don't even need (4) love		I guess that I don't need that the	hough
But you treat me like a stranger		Now you're just somebody (10	0) I used to know
And that feels so rough		Somebody, I used to know	
You didn't (5) to stoop so low		Somebody, now you're just so	mebody that I used to know
Have your (6) collect (7) reco	ords	Somebody, I used to know	
And then change your number		Somebody, now you're just so	mebody that I used to know
I guess that I don't (8) that though		I used to know	
Now you're just somebody that I used to know		That I used to know	
Now you're just somebody that I used to know		I used to know, somebody	
Now you're just somebody that I used to know			
Now and then I think of all the times you screwed me over
