

Fill in the gaps

Go!	I was a creature (12) I (13)
Stapled shut, (1) an outside world and I'm	stand
Sealed in tight, bizarre but right at home	I will remember (14) I forget
Claustrophobic, closing in and I'm	Before I forget that!
Catastrophic, not again	I am a worm before I am a man
I'm (2) across the page	I was a (15) before I (16)
And (3) in gasoline	stand
I wear you like a stain	I will (17) before I forget
Yet I'm the one who's obscene	Before I (18) that!
Catch me up on all your (4) little insurrections	My end
I've got no (5) to lose	It justifies my means
And I'm (6) caught up in all the cattle	All I ever do is delay
Fray the strings	My (19) to evade
Throw the shapes	The end of the road and my end
Hold your breath	It justifies my means
Listen!	All I ever do is delay
I am a worm before I am a man	My every attempt to evade
I was a (7) before I could stand	The end of the road!
I will remember (8) I forget	I am a (21) (22) I am a man
Before I (9) that!	I was a creature before I could stand
I'm (10) the ditch	I will remember before I forget
And settled in the dirt and	Before I forget that!
I wear you like a stitch	I am a worm before I am a man
Yet I'm the one who's hurt	I was a creature before I could stand
Pay attention to your twisted little indiscretions	I will remember (23) I forget
I've got no right to win	Before I forget that!
I'm just caught up all the battles	I am a (24) before I am a man
Locked in clutch	I was a creature before I could stand
Pushed in place	I will remember before I forget
Hold your breath	Before I (25) that!
Listen!	Yeah, yeah, OH!
I am a worm before I am a man
