Every Rose Has It's Thorn (Live) by Miley Cyrus

We both lie silently still in the dead of the night	I can still feel so much pain
Although we both lie close together	Like the knife that cuts you the wound heals
We feel miles apart inside	But the scar, that scar remains
Was it something I said or something I did?	Every rose, every rose
Did my (1) not come out right?	Every rose has it's thorn
Tho' I tried not to hurt you I tried	I know I could have (6) our love that night
But I guess that's why they say	If I'd known (7) to say
Every rose has its thorn	Instead if making love
Just like every night has its dawn	We both made our separate ways now
Just like every (2) sings a sad, sad song	I hear you've found somebody new
Every rose has it's thorn	And that I never meant (8) much to you
Yea it does	And hear that (9) me up inside
I listen to your favorite song	And to see you cuts me like a knife
Playing on the radio	Every rose, every rose, every
Hear the DJ say love's a game of easy come and	Has it's thorn
Easy go	Just like every cowboy sings a sad, sad song
But I wonder (3) he know	Every rose has it's (10) (let me hear you)
Has it (4) felt like this?	(Every rose has it's thorn)
And I know that you'd be here right now	Every rose, every rose, every
If I could have let you know somehow	(Every rose) has it's thorn
Every rose has it's thorn	(Every cowboy) sings a sad, sad song
Just like every night has its dawn	(Every rose) has it's thorn
Just like every cowboy sings a sad, sad song	
Every (5) has it's thorn
