Every Rose Has It's Thorn (Live) by Miley Cyrus

We both lie silently still in the (1) of the night	I can still feel so (17) pain
Although we both lie close together	Like the knife that cuts you the wound heals
We feel (2) apart inside	But the scar, that scar remains
Was it something I said or (3) I did?	Every rose, every rose
Did my words not (4) out right?	Every rose has it's thorn
Tho' I tried not to hurt you I tried	I know I could have saved our love (18) night
But I guess that's why they say	If I'd known what to say
Every (5) has its thorn	Instead if (19) love
Just like every night has its dawn	We both (20) our separate ways now
Just (6) every (7) sings a sad, sad	I hear you've found somebody new
song	And (21) I never meant (22) much to
Every rose has it's thorn	you
Yea it does	And hear that tears me up inside
I listen to your (8) song	And to see you cuts me like a knife
Playing on the radio	Every rose, (23) rose, every rose, every
Hear the DJ say love's a game of (9) come and	Has it's thorn
Easy go	Just like (24) cowboy sings a sad, sad song
But I wonder does he know	Every rose has it's thorn (let me (25) you)
Has it ever felt (10) this?	(Every rose has it's thorn)
And I (11) that you'd be (12) right now	Every rose, (26) rose, every rose, every
If I could have let you know somehow	(Every rose) has it's thorn
Every rose has it's thorn	(Every cowboy) sings a sad, sad song
Just (13) every night has its dawn	(Every rose) has it's thorn
Just (14) every cowboy (15) a sad,	
sad song	
Every rose has it's thorn	
Though it's been a (16) now
