## Going To Barbados by Typically Tropical

Ladies and gentlemen	Mary Jane met the Coconut airplane
This is captain Tobias Wilcock welcoming you aboard	Now I know, she loves me so
Coconut Airways flight 372 to Bridgetown Barbados	(Woah) I'm going to Barbados
We will be flying at a height of 32000 feet	(Woah) Back to the palm trees
And at an airspeed of approximately 600 miles per hour	(Woah) I'm going to see my girlfriend
Refreshments will be (1) after take-off	(Woah) In the sunny Carribean sea
Kindly fasten (2) safety belts	Ladies and gentlemen, we are now commencing
And refrain from smoking until the aircraft is airborne	Our approach into Bridgetown Barbados
(Woah) I'm going to Barbados	The weather is fine, (7) approximate temperature
(Woah) Back to the palm trees	Of (8) (9) Fahrenheit
(Woah) I'm going to see my girlfriend	The sky is blue
(Woah) In the sunny Carribean sea	And the palm trees are really cool
I don't wanna be bus driver	Captain Wilcock and his crew
All my life	Hope you have had a pleasant flight
I've seen too much of Brixton town	And that you will fly Coconut Airways again
In the night	(Woah) I'm going to Barbados
Fly away on Coconut Airways	(Woah) Back to the palm trees
Fly me high, Barbados sky	(Woah) I'm going to see my girlfriend
I look up at the sky	(Woah) In the sunny Carribean sea
And I see the clouds	(Woah) I'm going to Barbados
I look (3) at the ground	(Woah) Back to the palm trees
And I see the rain go (4) the drain	(Woah) I'm going to see my girlfriend
Fly away on Coconut Airways	(Woah) In the sunny Carribean sea
Fly me high, Barbados sky	(Woah) I'm going to Barbados
(Woah) I'm going to Barbados	(Woah) Back to the palm trees
(Woah) Back to the (5) trees	(Woah) I'm going to see my girlfriend
(Woah) I'm going to see my girlfriend	
(Woah) In the sunny Carribean sea	
Far (6) from London town and the rain	
It's really very nice to be home again
