

## Fill in the gaps

I've known faces that (1)	Take this away
(2) in time	Take this away
Find me wrapped in (3) and slowly soaked in	I can feel it on my mouth
lime	I can taste you on my fingers
All my friends have (4) meant to make	I can hear you like the Holy Ghost
you cry	And kill you if you get too close
I've seen this and wondered what I've done to	As I close my eyes, I feel it all slipping away
Calcify (I ignore you)	(I come towards you)
As I close my eyes, I feel it all slipping away	We all got left behind, we let it all (9) away
(I come towards you)	(I ignore you)
We all got (5) behind, we let it all slip away	As I close my eyes, I feel it all slipping away
(I ignore you)	(I come towards you)
As I close my eyes, I feel it all slipping away	We all got left behind
(I come towards you)	We let it all slip away!
We all got left behind, we let it all slip away	We let it all slip away!
I can't stand to see your thalidomide (6) face	We let it all slip away!
I don't even try it! You had to be a liar	We let it all slip away!
Just to infiltrate me, I'm still drowning	We let it all slip away!
(I ignore you)	We let it all slip away!
As I (7) my eyes, I (8) it all slipping	We let it all slip away!
away	
(I come towards you)	
We all got left behind, we let it all slip away	
(I ignore you)	
As I close my eyes, I feel it all slipping away	
(I come towards you)	
We all got left behind, we let it all slip away
