

Fill in the gaps

I've (1) faces that have disappeared in time	Take this away
Find me wrapped in glass and slowly soaked in lime	Take this away
All my friends (2) pictures meant to make you cry	I can feel it on my mouth
I've seen this and (3) what I've done to	I can taste you on my fingers
Calcify (I ignore you)	I can hear you like the Holy Ghost
As I (4) my eyes, I feel it all slipping away	And kill you if you get too close
(I (5) towards you)	As I close my eyes, I (7) it all slipping away
We all got left behind, we let it all slip away	(I come towards you)
(I ignore you)	We all got (8) behind, we let it all (9)
As I close my eyes, I feel it all slipping away	away
(I come towards you)	(I ignore you)
We all got left behind, we let it all slip away	As I (10) my eyes, I feel it all slipping away
I can't stand to see your thalidomide robot face	(I come towards you)
I don't even try it! You had to be a liar	We all got left behind
Just to infiltrate me, I'm still drowning	We let it all slip away!
(I ignore you)	We let it all slip away!
As I close my eyes, I feel it all slipping away	We let it all slip away!
(I come towards you)	We let it all slip away!
We all got left behind, we let it all slip away	We let it all slip away!
(I ignore you)	We let it all slip away!
As I (6) my eyes, I feel it all slipping away	We let it all slip away!
(I come towards you)	
We all got left behind, we let it all slip away
