

Fill in the gaps

I ve known races that have disappeared in time	rake this away
Find me wrapped in glass and slowly soaked in lime	Take this away
All my (1) have pictures meant to make you	I can feel it on my mouth
cry	I can taste you on my fingers
I've seen this and wondered what I've done to	I can hear you like the Holy Ghost
Calcify (I ignore you)	And (8) you if you get too close
As I close my eyes, I feel it all slipping away	As I close my eyes, I feel it all slipping away
(I come towards you)	(I (9) towards you)
We all got left behind, we let it all slip away	We all got left behind, we let it all slip away
(I (2) you)	(I ignore you)
As I close my eyes, I feel it all slipping away	As I close my eyes, I feel it all slipping away
(I come towards you)	(I come towards you)
We all got left behind, we let it all slip away	We all got left behind
I can't (3) to see (4)	We let it all slip away!
(5) robot face	We let it all slip away!
I don't even try it! You had to be a liar	We let it all slip away!
Just to infiltrate me, I'm still drowning	We let it all slip away!
(I ignore you)	We let it all slip away!
As I close my eyes, I feel it all slipping away	We let it all slip away!
(I come towards you)	We let it all slip away!
We all got left behind, we let it all slip away	
(I ignore you)	
As I close my eyes, I (6) it all slipping away	
(I come (7) you)	
We all got left behind, we let it all slip away
