Of our new tecnology Oh now there is no sound
Oh now there is no sound For we all (9) underground (oh!)
For we all live underground Now this life that we live in
And I'm (3) what a mess we're in It's all going wrong
Hard to know where to begin Out of the window
If I could slip Do you know
The sickly ties that earthly man has made  There is nothing worse than
And now every mother A man-made man
Can choose the colour I (10) there's nothing worse than
Of her child A foolish man
That's not nature's way (Yeah!)
Well that's what they (4) yesterday Virtual insanity is what we're living in
There's nothing left to do but pray (Yeah)
I think it's time to find a new religion
