With you, with you Who knew? I wish we had another time And we don't wanna fall I wish we had another place But we're tripping in our hearts Now Romeo and Juliet And it's (5)____ and clumsy Bet they could never felt the way we felt And I know you can't love me here Bonnie and Clyde never had the highlight I wish we had another time We do, we do I wish we had another place You and I, both know it can't work But everything we have is stuck in the moment And there's nothing my heart can do It's all fun and games 'til someone gets hurt And I don't, I won't let that be you __ with (7)____ and space Now you don't wanna let go 'Cause I'm still stuck in the moment with you And I don't wanna let you know See like just because this cold, cold world (8)_ There might be something real between us two we can't be Who knew? Baby, we both have the right to decide we Now we don't wanna fall And I ain't with it But we're tripping in our hearts And I don't wanna be so old and gray And it's reckless and clumsy Reminiscing 'bout these better days 'Cause I know you can't love me here But convention's telling us to let go I wish we had another time So we'll never know I wish we had (1)____ I wish we had another time I wish we had another place But everything we have is stuck in the moment And there's nothing my heart can do 'Cause everything we did To (2)_____ with (3)____ and space And everything we have is stuck in the moment 'Cause I'm still stuck in the moment with you Yeah See like Adam and Eve, tragedy was a destiny I wish we had another time Like Sonny and Cher, I don't care, I got you, baby I wish we had another place, oh, no, no See we both fighting every inch of our fiber But (9) _____ we have is stuck in the 'Cause in a way it's gonna end right moment But we are (4)_____ too foolish to stop And there's nothing my heart can do Now you don't wanna let go To fight with time and space And I don't wanna let you know I'm still stuck in the moment with you There might be something real between us two
