And I don't wanna let you know

There might be something real between us two

Fill in the gaps

Stuck In The Moment by Justin Bieber

With you, with you		Who knew?
I wish we had another time		And we don't wanna fall
I wish we had (1) place		But we're tripping in our hearts
Now Romeo and Juliet		And it's reckless and clumsy
Bet they could never felt the way we felt		And I know you can't love me here
Bonnie and Clyde never had the highlight		I wish we had another time
We do, we do		I (4) we had another place
You and I, both know it can't work		But everything we have is (5) in the moment
It's all fun and games 'til (2)	gets hurt	And there's nothing my heart can do
And I don't, I won't let that be you		To fight with time and space
Now you don't wanna let go		'Cause I'm still stuck in the moment with you
And I don't wanna let you know		See like just because this cold, cold world (6)
There might be something real between us two		we can't be
Who knew?		Baby, we both have the right to decide we
Now we don't wanna fall		And I ain't with it
But we're tripping in our hearts		And I don't wanna be so old and gray
And it's reckless and clumsy		Reminiscing 'bout these better days
'Cause I know you can't love me here		But convention's telling us to let go
I wish we had another time		So we'll never know
I wish we had another place		I wish we had another time
But everything we (3) is stuck in the moment		I wish we had another place
And there's nothing my heart can do		'Cause everything we did
To fight with time and space		And everything we have is (7) in the moment
'Cause I'm still stuck in the moment with you		Yeah
See like Adam and Eve, tragedy was a destiny		I wish we had (8) time
Like Sonny and Cher, I don't care, I got you, baby		I wish we had another place, oh, no, no
See we both fighting every inch of our fiber		But everything we have is stuck in the moment
'Cause in a way it's gonna end right		And there's nothing my (9) can do
But we are both too foolish to stop		To fight with time and space
Now you don't wanna let go		I'm (10) stuck in the moment with you
