### Set Fire To The Rain (Live) by Adele

I let it fall, my heart  
And as it fell, you rose to claim it  
It was dark and I was over  
Until you kissed my lips and you saved me  
My hands they were strong  
But my knees were far too weak  
To stand in your arms  
Without falling to your feet  
But there's a side, to you  
That I never knew, never knew  
All the (1)\_\_\_\_\_ you'd say  
They were (2)\_\_\_\_\_ true, (3)\_\_\_\_\_ true  
And the (4)\_\_\_\_\_ you'd play  
You would always win, always win  
But I set fire to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name  
Your name...  
When I lay, with you  
I could stay there, close my eyes  
Feel you here forever  
You and me together, nothing is better!  
Cause there's a side, to you  
That I (5)\_\_\_\_\_ knew, never knew  
All the things you'd say  
They were never true, never true  
And the (6)\_\_\_\_\_ you'd play  
You would always win, always win  
But I set fire to the rain

Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name  
Your name...  
I set fire to the rain  
And I threw us into the flames  
Well, it felt something died  
Cause I knew that that was the last time  
The (7)\_\_\_\_\_ time...  
Sometimes I wake up by the door  
That (8)\_\_\_\_\_ you caught must be waiting for ya...  
Even now when we're already over  
I can't help myself from looking for ya  
I set fire to the rain  
Watched it pour as I touched (9)\_\_\_\_\_ face  
Well, it burned while I cried  
'Cause I heard it screaming out your name  
Your name...  
I set fire to the rain  
And I threw us into the flames  
Well, it felt something died  
'Cause I knew that that was the (10)\_\_\_\_\_ time  
The last time...  
Oh oh oh oh oh...  
Let it burn...  
Oh oh oh oh oh...  
Let it burn...  
Let it burn...
