You left with no goodbye	But don't you remember?
Not a single word was said	Don't you remember?
No final kiss to seal any seams	The reason you loved me before
I had no idea of the state we (1) in	Baby, please remember me once more
I know I have a (2) heart and bitterness	Gave you the space so you could breathe
And a wandering eye	And I kept my distance so you would be free
And a heaviness in my head	And (5) (6) you (7) the
But don't you remember?	missing piece
Don't you remember?	To bring you back to me
The (3) you loved me before	Why don't you remember?
Baby, please remember me once more	Don't you remember?
When was the (4) time you thought of me?	The (8) you (9) me before
Or have you completely	Baby, please remember
Erased me from your memory?	You used to love me
'Cos I often think about where I went wrong	When will I see you again?
The more I do, the less I know	
But I know I have a fickle heart and bitterness	
And a wandering eye
