

## Fill in the gaps

Daydreamer	Daydreamer
Sitting on the seat	With eyes that make you melt
Soaking up the sun	He lends his coat for shelter plus he's there for you
He is a (1) lover	When he shouldn't be
Making up the past	But he (5) all the same, (6) for you
And feeling up his girl	Then sees you through
Like he's never felt her figure before	There's no way
A jaw dropper	I could describe him
Looks (2) when he walks	All I say is
He's the subject of their talk	Just what I'm hoping for
He would be hard to chase	But I will find him
But good to catch and he could (3) the world	Sitting on my doorstep
With his (4) behind his back (oh)	Waiting for a surprise
You can find him	And it will feel like
Sitting on your doorstep	He's been there for hours
Waiting for a surprise	And I can (7) that he'll be there for life
And it will feel like	And I can (8) that he'll be there for life
He's been there for hours	
And you can tell that he'll be there for life
