Daydreamer		Daydreamer
Sitting on the seat		With (11) that make you melt
Soaking up the sun		He lends his coat for (12) plus he's
He is a (1) lover		(13) for you
Making up the past		When he shouldn't be
And feeling up his girl		But he (14) all the same, (15) for
Like he's (2)	(3) her figure before	you
A jaw dropper		Then sees you through
Looks good (4)	he walks	There's no way
He's the subject of (5)	talk	I (16) describe him
He would be (6)	to chase	All I say is
But (7) to catch and he could change the world		Just what I'm (17) for
With his hands (8)	his (9) (oh)	But I will (18) him
You can find him		Sitting on my doorstep
Sitting on your doorstep		Waiting for a surprise
Waiting for a surprise		And it (19) feel like
And it will feel like		He's been (20) for hours
He's (10) there for hours		And I can (21) that he'll be there for life
And you can tell that he'll be there for life		And I can tell that he'll be there for life
