

## Fill in the gaps

	But didn't lie
Should I?	It's not so bad
Could I?	When you think (14) it
Have said the wrong things right	I (15) have (16) all night
A (1) times	I would (17) run all the lights
If I could just rewind	I was misunderstood
I see it in my mind	I stumbled (18) my words
If I could (2) time	Did the (19) I could
You'd still be mine	I (20) outside your door
You cried	I've (21) here before
I died	Misunderstood
I should have (4) my mouth	I stumbled like my words
Things headed south, yeah	Did the best I could
As the words slipped off my tongue	Damn
They sounded dumb	Misunderstood
If this old heart could talk	Intentions good
It'd say you're the one	It's you and I
I'm (5) time	Just think about it
When I (6) about it	I should (22) (23) all night
I (7) (8) (9) all night	I would have run all the lights
I (10) run all the lights	I was misunderstood
I was misunderstood	I stumbled like my words
I stumbled (12) my words	Did the best I could
Did the best I could	Misunderstood
Damn	I hanging outside your door
Misunderstood	I've been (24) before
Could I?	Misunderstood
Should I?	I (25) like my words
Apologize for sleeping on the couch that night	Did the (26) I could
Staying out too late with all of my friends	Damn
You found me passed out in the yard again	Misunderstood
You cried	Intentions good
I tried	
To (13) the truth
