

Fill in the gaps

	But didn't lie
Should I?	It's not so bad
Could I?	When you (14) about it
Have (1) the wrong things right	I should have drove all night
A (2) times	I would (15) run all the lights
If I (3) just rewind	I was misunderstood
I see it in my mind	I stumbled like my words
If I could (4) back time	Did the (16) I could
You'd (5) be mine	I hanging outside your door
You cried	I've been here before
I died	Misunderstood
I should (6) shut my mouth	I (17) (18) my words
Things (7) south, yeah	Did the best I could
As the words slipped off my tongue	Damn
They sounded dumb	Misunderstood
If this old (8) could talk	Intentions good
It'd say you're the one	It's you and I
I'm wasting time	Just think (19) it
When I (9) about it	I should have (20) all night
I should have (10) all night	I (21) run all the lights
I would have run all the lights	I was misunderstood
I was misunderstood	I stumbled like my words
I stumbled like my words	Did the best I could
Did the best I could	Misunderstood
Damn	I (23) outside (24) door
Misunderstood	I've been (25) before
Could I?	Misunderstood
Should I?	I stumbled (26) my words
Apologize for sleeping on the (11)	Did the best I could
(12) night	Damn
Staying out too late with all of my friends	Misunderstood
You found me passed out in the yard again	Intentions good
You cried	
I tried	
To (13) the truth
