## Release Me (New Version) by Agnes

Release me	That goes againt the grain
Release my body	But I can rationalize it If I have to
I (1) it's wrong	I don't know why I want you so
So why am I with you know	'Cause I don't need the (7) break
I say release me	I don't know what addictive hold
'Cause I'm not able to	You have on me I can't shake
Convince myself	No, I'm not in control, so let me go
That I'm better off without you	Release me
Yeah, it's perfectly clear	Release my body
That (2) not (3) you need	I know it's wrong
I tell you I (4) care	So why do I keep (8) back
But I don't want to	I say release me
Anything that you say	'Cause I'm not able to
I hear myself agree	Convince myself
And I don't recognize	That I'm better off without you
What I've turned into	I'm not in control, so let me go
I don't know why I want you so	Release me
'Cause I (5) need the heart break	Release my body
I don't know what (6) hold	I know it's wrong
You have on me I can't shake	So why do I keep coming back
No, I'm not in control, so let me go	I say release me
Release me	'Cause I'm not able to
Release my body	Convince myself
I know it's wrong	That I'm better off without you
So why do I keep coming back	Release me
I say release me	Release my body (release my body)
'Cause I'm not able to	I know it's wrong
Convince myself	So why do I keep coming back
That I'm better off without you	I say (9) me
I could sleep by myself	'Cause I'm not able to
You want burn me alive	Convince myself
Find me somebody else	That I'm (10) off without you
But I don't want to
