

Pull out some hope for me

## Fill in the gaps

It's (1) by the overcoat	It's been a long day
The second shelf, the note she wrote	Always ain't that right
That I can't bring myself to throw away	And no Lord your hand won't stop it
And also	Just (15) you trembling
Reach she said for no one (2) but you	It's been a long day
Cuz you won't turn away	Always ain't that right
When someone (3) is gone	(Oh) Ain't that right?
I'm sorry 'bout the attitude	It's me
I need to give when I'm (4) you	(Yeah) Well I can't get (16) to go away
But no one else would take this (5) from me	(Hey) Well it's me
And I'm so terrified of no one else but me	Yeah well I can't get myself to go away
I'm (6) all the time	Oh God I shouldn't (17) (18) way now
I won't go away (yeah)	Reach down your (19) in your pocket
It's me	Pull out some hope for me
(Yeah) (7) I can't get (8) to go	It's been a long day
away	Always ain't that right
(Hey) It's me	And no Lord your (20) won't stop it
And I can't get (9) to go away	Just keep you trembling
Oh God, I shouldn't feel (10) way now	It's been a long day
Reach down your hand in (11) pocket	Always ain't that right
Pull out some hope for me	Yeah
It's been a long day	Reach (21) your hand in your pocket now
Always ain't that right	Reach down (22) hand (23) now
And no Lord your hand won't (12) it	It's been a long day, always
Just keep you trembling	Ain't that right?
It's been a long day	Reach down your hand in your (24) now
Always ain't that right	Reach down your hand right now
Well I'm (13) that you'd believe	It's been a long day, always
In (14) that comes from me	Ain't (25) right?
I didn't hear from you or from someone else	(Oh) Ain't (26) right?
And you're so set in life man	Ain't (27) right right (28) on child?
A pisser they're waiting	Right right on (29) (30) right
Too damn bad you get so far so fast	on child
So what, so long	
Reach down your hand in your pocket
