

## Fill in the gaps

Let's start in style, let's dance for a while		Some are a melody and some are the beat	
Heaven can wait we're only (1)	the skies	Sooner or later (4)	all will be gone
Hoping for the best, but expecting the worst		Why don't they (5)	_ young?
Are you gonna drop the bomb or not?		It's so hard to get old (6)	a cause
Let us stay young or let us live forever		I don't want to perish (7)	a fading horse
We don't have the power, but we never say never		Years like diamonds in the sun	
Sitting in the sandpit, life is a short trip		And diamonds are forever	
The music's for the sadman		So (8) advantages given up today	
Can you imagine when this race is won		So many (9) w	e forgot to play
Turn out all the faces into the sun		So many dreams (10)	out of the blue
Praising our leaders, we're getting in tune		Oh let it come true	
The music's played by the madman		Forever Young	
Forever Young		I want to be Forever Young	
I want to be Forever Young		Do you really want to live forever?	
Do you really want to live forever?		Forever, you'll never	
Forever, you'll never		Forever Young,	
Forever Young,		I want to be Forever Young	
I want to be (2) Young		Do you really want to live for	ever?
Do you really want to live forever?		Forever Young.	
Forever Young			
Some are like water, (3) are like the heat	t
