

## Fill in the gaps

If you change (1) mind	Take a chance on me
I'm the first in line	Oh you can take your time baby
Honey I'm still free	I'm in no hurry
Take a chance on me	Know I'm gonna get you
If you need me, let me know	You don't wanna hurt me
Gonna be around	Baby don't worry
If you've got no place to go	I ain't gonna let you
If you're (2) down	Let me tell you now
If you're all alone	My (6) is strong enough
When the pretty birds have flown	To last when (7) are rough
Honey I'm still free	It's magic
Take a chance on me	You say that I waste my time
Gonna do my very best and it ain't no lie	But I can't get you off my mind
If you put me to the test	No I can't let go
If you let me try	'cos I love you so
Take a chance on me	If you change (8) mind
(That's all I ask of you honey)	I'm the first in line
Take a chance on me	Honey I'm still free
We can go dancing	Take a chance on me
We can go walking	If you need me, let me know
As long as we're together	Gonna be around
Listen to some music	If you've got no (9) to go
Maybe just talking	If you're feeling down
Get to know you better	If you're all alone
'Cos you know I've got	When the (10) birds have flown
So (3) that I wanna do	Honey I'm still free
When I dream I'm alone with you	Take a chance on me
It's magic	Gonna do my very best
You want me to leave it there	Baby can't you see
Afraid of a love affair	Gotta put me to the test
But I think you know	Take a chance on me
That I can't let go	(Take a chance, take a chance, take a chance on me)
If you change your mind	(Ba ba ba ba, ba ba ba ba ba)
I'm the first in line	Honey I'm still free
Honey I'm still free	Take a chance on me
Take a chance on me	Gonna do my very best
If you need me, let me know	Baby can't you see
Gonna be around	Gotta put me to the test
If you've got no place to go	Take a chance on me
If you're feeling down	(Take a chance, take a chance, take a chance on me)
If you're all alone	(Ba ba ba ba ba, ba ba ba ba ba ba)
When the pretty birds have flown	Honey I'm still free
Honey I'm still (4) (5) a chance on me	Take a chance on me
Gonna do my very best and it ain't no lie	
If you put me to the test, if you let me try	
Take a chance on me
