#### Fill in the gaps

#### Love The Way You Lie by Eminem & Rihanna

Just gonna stand (1) and watch me burn
But that's alright
Because I (2) the way it hurts
Just (3) stand there and hear me cry
But that's alright
Because I love the way you lie
I love the way you lie
I can't tell you what it really is
I can only tell you what it feels like
And right now there's a steel knife
In my windpipe
I can't breathe
But I still fight
While I can fight
As long as the wrong feels right
It's like I'm in flight
High of a love
Drunk from the hate
It's (4) I'm huffing paint
And I love it the more that I suffer
I sufficate
And right before I'm about to drown
She resuscitates me
She fucking hates me
And I love it, wait
Where you going
I'm leaving you
No you ain't

Come back

Here we go again
It's so insane
Cause when it's (5) good
It's going great
I'm Superman
With the wind in his bag
She's Lois Lane
But when it's bad
It's awful
I feel so ashamed
I snap
Who's that dude
I don't even know his name
I laid hands on her
I'll (6) stoop so low again
I'll (6) stoop so low again I guess I don't know my own strength
I guess I don't know my own strength
I guess I don't know my own strength  Just gonna stand there and watch me burn
I guess I don't know my own strength  Just gonna stand there and watch me burn  But that's alright
I guess I don't know my own strength  Just gonna stand there and watch me burn  But that's alright  Because I like the way it hurts
I guess I don't know my own strength  Just gonna stand there and watch me burn  But that's alright  Because I like the way it hurts  Just gonna stand (7) and hear me cry
I guess I don't know my own strength  Just gonna stand there and watch me burn  But that's alright  Because I like the way it hurts  Just gonna stand (7) and hear me cry  But that's alright
I guess I don't know my own strength  Just gonna stand there and watch me burn  But that's alright  Because I like the way it hurts  Just gonna stand (7) and hear me cry  But that's alright  Because I love the way you lie
I guess I don't know my own strength  Just gonna stand there and watch me burn  But that's alright  Because I like the way it hurts  Just gonna stand (7) and hear me cry  But that's alright  Because I love the way you lie  I love the way you lie
I guess I don't know my own strength  Just gonna stand there and watch me burn  But that's alright  Because I like the way it hurts  Just gonna stand (7) and hear me cry  But that's alright  Because I love the way you lie  I love the way you lie  I love the way you lie
I guess I don't know my own strength  Just gonna stand there and watch me burn  But that's alright  Because I like the way it hurts  Just gonna stand (7) and hear me cry  But that's alright  Because I love the way you lie  I love the way you lie  I love the way you lie  You ever love somebody so much

Even know what hit 'em

#### Got that warm fuzzy feeling

Yeah (8) chills
Used to get 'em
Now you're getting fucking sick
Of looking at 'em
You swore you've never hit 'em
Never do (9) to hurt 'em
Now you're in each other's face
Spewing venom and these words
When you spit 'em
You push, pull each other's hair
Scratch, claw, bit 'em
Throw 'em down
Pin 'em
So lost in the moments
When you're in 'em
It's the rage that took over
It controls you both
So they say it's best
To go your separate ways
Guess that they don't know ya
Cause today
That was yesterday
Yesterday is over
It's a different day
Sound like broken records
Playin' over
But you promised her
Next time you'll (10) restraint

You don't get another chance
