Rolling In The Deep by Adele

Fill in the gaps

There's a fire starting in my heart	And you played to the beat
Reaching a fever pitch it's bringing me out the dark	(Tears are (6) fall, rolling in the deep)
Finally I can see you crystal clear	We could have had it all
Go ahead and sell me out and I'll lay your ship bare	Rolling in the deep
See how I'll leave with every piece of you	You had my heart inside of your hand
Don't underestimate the things that I will do	but you played it with a beating
There's a fire starting in my heart	Throw your soul through every open door
Reaching a (1) pitch and it's bringing me out the	Count your blessings to find what you look for
dark	Turned my sorrow into treasured gold
The scars of (2) love remind me of us	You pay me back in (7) and reap just (8)
They keep me thinking that we almost had it all	you sow
The scars of your (3) they leave me breathless	(You're gonna wish you, never had met me)
I can't help feeling	We could have had it all
We (4) had it all	(Tears are gonna fall, rolling in the deep)
(You're gonna wish you, never had met me)	We could have had it all, yeah
Rolling in the Deep	(You're gonna wish you, never had met me)
(Tears are gonna fall, rolling in the deep)	It all It all It all
You had my heart inside of your hand	(Tears are gonna fall, rolling in the deep)
(You're gonna wish you, never had met me)	We could have had it all
And you played it, To the beat	(You're gonna wish you, never had met me)
(Tears are gonna fall, rolling in the deep)	Rolling in the deep
Baby I have no story to be told	(Tears are gonna fall, rolling in the deep)
But I've heard one of you and I'm gonna (5) your	You had my heart inside of (9) hand
head burn	(You're gonna (10) you, never had met me)
Think of me in the depths of your despair	And you played it to the beat
Making a home down there	(Tears are gonna fall, rolling in the deep)
as mine sure won't be shared	
The scars of your love remind me of us	We could have had it all
They keep me thinking that we almost had it all	(You're gonna wish you never had met me)
The scars of your love they leave me breathless	Rolling in the deep
I can't help feeling	(tears are gonna fall rolling in the deep)
We could have had it all	You had my heart inside of your hand
(You're gonna wish you, never had met me)	(You're gonna wish you, never had met me)
Rolling in the Deep	but you played it, you played it
(Tears are gonna fall, rolling in the deep)	you played it, you played it to the beat
You had my heart Inside of your hani	
(You're gonna wish you, never had met me)
